646-413-1666 | [bay.arens@gmail.com](mailto:bay.arens@gmail.com)

## OBJECTIVE

I am on a path to become a Full-Stack developer. I have recently completed an intense bootcamp where I acquired and honed my skills in JavaScript, HTML, CSS, and React. I am in search of more opportunities that will allow me to continue to further and deepen my understanding of full stack development and improve further.

## EDUCATION

Nebula Academy Software Engineering Bootcamp  
Certificate in Web Development  
Miami University BA of Arts in Political Science  
Double Minor: History, Management & Leadership

Remote  
Graduated July 2021  
Oxford, Ohio  
Graduated in 2019

## SKILLS

**Front-End:** ReactJS, JSX, JavaScript, ES6, HTML, CSS, Bootstrap, Material UI, Fetch, SCSS

**Back-End:** Node.js, PSQL, AWS RDS, S3, & EC2, PostgreSQL, Python, API

**Tools:** GitHub, git, VS Code, DevOps, MS Teams, MS OneNote, Slack, Salesforce, Cisco

**Soft Skills:** Proven teamwork, leadership, & communication skills. Ability to rapidly learn new tech

## PROJECT EXPERIENCE

**Playlist App** – REACT, JSX, PSQL– <https://master.d37fvqgdh284tz.amplifyapp.com/>

- Created a full CRUD application that allows one to make a playlist while deleting and updating its items

**Netflix-like App** – REACT, JSX, API – URL if deployed

- Created a Netflix like application that pulls from an API to search movies and TV shows
